**Starts at \$200 level*

Chamber Music Wilmington is constantly looking years ahead to coordinate with the field's most exceptional musicians to develop engaging performances for seasons to come. Each three-year pledge we receive reinforces CMW's financial stability and ensures our programming meets the organization's standard of excellence. Contributions received between April 1, 2021 to April 1, 2022 are listed in the season's program insert during the 2021-22 season.
